

Outreach Playbook

Directive OS — Real Estate Edition

Email · SMS · WhatsApp sequences for cold + warm prospects

Agent-to-agent tone · Friendly, casual, professional

How to Use This Playbook

This is a 4-touch outreach sequence designed for fellow real estate agents reaching out to other agencies. The tone is warm, casual, and professional — never pushy, never salesy.

Use the Email sequence as your main outreach channel. Add SMS or WhatsApp when you have the prospect's mobile number — these get higher reply rates but feel more personal.

Sequence Schedule

- Day 0 — Touch 1 (intro)
- Day 2-3 — Touch 2 (follow-up)
- Day 5 — Touch 3 (soft close)
- Day 7-10 — Touch 4 (final note)

If they read but don't reply, wait the full window before the next touch. Never send 2 messages in 24 hours.

Email Sequence

Email 1 — Intro

Subject: Quick hello from one agent to another

Hi [Name],

Hope you're having a good week. I'm [Your Name] — I work in real estate too, and lately I've been helping a few agencies set up smarter ways to handle calls and leads after hours.

Thought I'd reach out and say hi. Would you be open to a quick chat at some point? Happy to work around whatever suits you.

Cheers,
[Your Name]

Email 2 — Follow-up (2-3 days later)

Subject: Just bumping this up

Hi [Name],

Just popping back in case my last note got lost in the inbox.

Is there a time that works better for a quick chat? Even a 5-minute call is fine if you're flat out.

Cheers,
[Your Name]

Email 3 — Soft close (5 days later)

Subject: All good if not the right time

Hi [Name],

Totally understand things get busy. If now isn't ideal, no stress — just let me know if I should circle back later, or if there's someone else on the team I should chat to instead.

Cheers,
[Your Name]

Email 4 — Final touch (7-10 days later)

Subject: Last one from me

Hi [Name],

I'll leave it here for now. If it's easier than a call, I can send through a quick overview — just say the word.

Either way, all the best with the listings.

Cheers,
[Your Name]

SMS Sequence

Short, punchy, real-estate to real-estate. Always sign off with your first name so they know it's a person.

SMS 1 — Intro

Hey [Name], it's [Your Name] — fellow agent. Been helping a few agencies sort out after-hours calls and lead capture. Worth a quick chat? No pressure either way Ø=ÜM

SMS 2 — Follow-up (2 days later)

Hey [Name], just bumping this in case you missed it. Even a 5-min chat works if you're flat out — let me know what suits.

SMS 3 — Soft close (4-5 days later)

All good if now's not the right time [Name]. Want me to circle back later, or is there someone else on your team I should chat to?

SMS 4 — Final touch (7 days later)

Last one from me [Name] Ø=þB Happy to send a quick overview instead of a call if easier — just say the word. All the best with the listings.

SMS Tips

- Send between 9-11am or 2-4pm weekdays — agents check phones between appointments
- Avoid Mondays (busy day) and Friday afternoons (winding down)
- Keep emojis to 1 max — looks human, not spammy
- Always sign off with your first name

WhatsApp Sequence

Slightly longer than SMS but still casual. WhatsApp shows read receipts — wait 48 hours before following up if they read but don't reply.

Message 1 — Intro

Hey [Name], hope you're going well Ø=ÜK

It's [Your Name] — I'm in real estate myself. Been working on something that helps agencies pick up after-hours calls and capture leads automatically (basically a virtual receptionist trained for property enquiries).

Thought I'd reach out and see if it's worth a quick chat. No sales pitch — just a chat between agents. Let me know what suits Ø=ÞB

Message 2 — Follow-up (2-3 days later)

Hey [Name], just floating this back up in case it slipped through.

Happy to keep it super quick — even 5 mins between appointments works. Would later this week suit?

Message 3 — Soft close (4-5 days later)

All good if the timing's off [Name] Ø=ÜM

Want me to circle back in a few weeks, or is there someone else at the office I should have a chat to?

Message 4 — Final touch (7-10 days later)

Hey [Name], I'll leave it here for now.

If easier, I can flick through a quick 1-pager so you can have a look in your own time — just let me know. Either way, all the best with the listings Ø<ßá

WhatsApp Tips

- Set a professional head-shot as your profile photo — agents reply more to a face
- Set your About to 'Real estate + AI tools' so they know who you are
- Best send times: 9-10am, 1-2pm, 6-7pm
- Voice notes (15-20 sec) get 2-3x more replies than text

Channel Strategy

Cold Phone vs Cold Email vs Cold SMS

Phone: highest conversion, faster feedback, but more rejection. Best when you have a specific principal/contact and want fast rapport.

Email: easier to repeat, less intrusive, better for first touch. Best for scale and polish.

SMS/WhatsApp: highest open rate, fastest reply, but more personal. Best when you already have a mobile number.

Recommended Play

- Email first !' call same day if they open or click
- If they don't open in 48 hours !' send SMS or WhatsApp
- After 4 touches with no reply !' move on, circle back in 60-90 days

Best Send Times (AEST)

- Tuesday, Wednesday, Thursday — best days
- 9-11am — between appointments and inspections
- 2-4pm — afternoon admin window
- Avoid: Monday (chaos), Friday afternoon (winding down), weekends
