HOW TO USE — STEP BY STEP

1

Copy the agreement email text

Copy everything above (greeting through to signature) into Gmail or your email client.

2

Customise the 3 placeholders

[Client First Name] !' their name

[Agency Name] !' their agency name

[agency-slug] !' their page slug (e.g. c21-rana, nidus-re, ray-white-parramatta)

3

Build the payment button link

Replace the button URL with:

[https://directiveos.com.au/pay/\[slug\]?name=\[Name\]&email=\[Email\]](https://directiveos.com.au/pay/[slug]?name=[Name]&email=[Email])

Example for C21 Rana:

<https://directiveos.com.au/pay/c21-rana?name=John+Smith&email=john%40c21rana.com.au>

4

Paste as a hyperlink in Gmail

Highlight the button text !' Insert Link !' paste the URL.

Or just paste the URL on its own line — clients can click it.

5

Send and wait for their reply

Client replies "I agree" = binding acceptance. Then they click the button to pay.

You receive an instant notification email when they complete payment.
